### **Wirch Statement on Republican Block of CBD Bill**

**Madison-**Senator Bob Wirch (D-Somers) issued the following statement regarding the Republican majority's refusal to vote on AB228:

“Children suffering from seizure disorders and their parents were collateral damage tonight in an act of pure partisan politics by the Republican majority. What Sen. Fitzgerald, Sen. Vukmir and their colleagues did tonight was cowardly; the fact that not one Republican would speak in favor of the bill, which they claimed to support, was shameful. This is why so many people hate politics.”
